Each HCYA Section has a Rep who attends the monthly Council meeting and helps form HCYA Policy and future direction.

Section Reps have a vital role to play in this and are the interface between their section and the Council. They bring Section concerns to the Council for discussion and report back to their Sections on decisions and matters raised. Section members are encouraged to bring matters to Council via their Reps. The role of Section reps is pivotal for democratic decision making and effective operation of HCYA.

Conversations from the Chair

In last year's Citizen I referred to discussions HCYA were having with Sheffield City Council about the possibility of opening a youth club in the Hall for one night of the week. Unfortunately, this proposal has fallen through. Nevertheless, HCYA will continue to encourage other new initiatives that focus on a wider local community use of the Hall, such as the successful gin tasting event last September, and a proposed Scotch whisky tasting event in the future, plus of course our informal Wednesday morning "cosy chat and coffee" meetings. By the time you read this the new "Wild Spaces" Section will also have hosted two evening presentations on local environmental matters.

You can find details of all of these events elsewhere in the magazine. If you are not an HCYA Section member, please think about joining the "Friends of HCYA" emailing list (it's free) to keep in touch with all up and coming new events at the Hall.

New Projectors

We are very pleased with the two new projector and screen systems now installed in the main and small Halls. It is simplicity itself to attach your lap-top, or other device, with a single cable, and run a presentation from the hand-held remote provided. Sections such as Art, Walkie Talkies and Wild Spaces have already done this, and are very pleased with their ease of use and the visual and auditory quality provided. It has also occurred to us that they could be used to start some form of "Community cinema". If anybody has any experience or knowledge of how this might work, for example what licenses might be necessary to show commercial films, please get in touch with me.

Your HCA?

HCYA has a fairly lengthy written constitution and is currently being revised. One aspect that has cropped up is whether it is time for the Association to change its name. For example, do we need to keep the "Y" in HCYA? If you have any views or suggestions on this issue, please email me.

Carbon Footprint

HCYA is currently in the process of applying for a government "Low Carbon Footprint" grant to reduce the carbon footprint of the Hall's energy usage. Again, if anybody has experience or knowledge of PV panel installation and heat pumps (ground or air) we would welcome your input. Please get in touch with me via email.

Finally, this will be my last year as the Association's Chair. I have done the job for some 15 years and I think I may now have enough stories to write a book and become a best-selling author. I just need a title! Subject to approval at the coming November's AGM, our new Chair will be Nicola Brown. She will be an excellent Chair and I know that HCYA's future will be safe under her guidance and leadership.

The Walkie Talkies

For more information visit

www.hcya.org.uk/walkie-talkies

We walk every Thursday morning starting at 10.30am alternating approximately between shorter (4-6 miles) and longer (6-9 miles).

Meeting venues are arranged in advance and posted on our website. All walks are led by walking members, volunteering to lead on an occasional basis with help and support from others if required.

If you would like to try this fun and beneficial form of exercise then some suitable hiking footwear, outerwear, a packed lunch and your enthusiasm are all that are required. Although we like to think of these outings as healthy we also consider it to be a social event and an optional visit to a local hostelry is usually arranged to restore our drained energy.

Plans are underway for this year's village fete to be held on Saturday 6th July 2024. Please help us make this event as successful as last year.

Would you like to be part of the committee that put the fete together?

Hallam Art Group

The Hallam Art Group is one of the largest groups within the HCYA with a membership of approximately 70 who give support to each other and to the group as a whole, both in the day to day running and with exhibitions. There is no selection process for new members. An interest in art is all that is needed.

We meet to paint weekly on Thursday evenings, 7:30 to 9:30pm in the main room of the Community Hall. Lessons are not provided, and the atmosphere is informal, but help is given if requested, and members enjoy the mutual creativity of the group.

We have a varied programme of optional events to encourage creativity including a monthly DVD presentation evening in the side room, when we enjoy learning from a professional and sharing our views. We have an excellent library of DVD's and books to borrow.

Twice a year we hold an exhibition and sell our work. The Spring exhibition is held at the Botanical Gardens over the long May Day weekend. The Autumn exhibition will be held on 16th & 17th November 2024 at the Hallam Community Hall.

Hallam Wine and Beer Guild

For more information visit our website

www.hcya.org.uk

Our wine tasting sessions are held in the Community Hall on alternate Thursdays beginning at 8:00pm

Tastings are either presented by Guild members or by an outside speaker from one of several wine merchants who are invited so we can sample and enjoy wines recommended by them from vineyards around the world.

Each year we have a few themed evenings, sometimes involving a meal prepared by members, accompanied with appropriate wines, and we also hold a Summer BBQ.

Some extra events take place away from the hall during the year, for example a meal at a local restaurant or a trip to a local winery. An early autumn holiday has often been arranged and at Christmas we hold a 'black tie' dinner dance at a local venue.

We are a very sociable group and although we have a waiting list, if you are interested in joining us, please contact our Chairman, Ian Saunders, to discuss.

Westside Wine Club

3rd Friday of the Month

Independent of the Thursday Wine and Beer Guild, Westside Wine Club is well-established and meets in the Community Hall at 7.45 pm on the third Friday of the month.

Our programme incorporates social events in the summer and winter. We are an informal sociable group with the aim of cultivating a good fellowship amongst our members and enjoy tasting both "affordable " wines as well as having the opportunity of sampling a selection of more expensive ones. Due to space restrictions our membership level is set at around 50 but we do have a waiting list. Those on the waiting list are invited as guests whenever possible.

Our objectives are to participate in wine tastings and samplings in order to learn more about the different types of vines grown around the world and the variety of tastes that expert blending creates. We hold a varied programme of events with presentations from professional wine experts as well as presentations from within our membership.
